

- * Hammurabi gained a lot of his fame because of the code of laws that he created.**
- * He took what he thought were the "best" laws from all of the separate city states and made ONE UNIFORM code of laws.**
- * A big part of the code says that punishment should be given out according to what a person did wrong.**
 - This is where we get "an eye for and eye"**
- * One of the most popular consequences to "breaking" a law was death!**
